APR 9 1894
U.S. MINT PHILA.

United States Mint,
Chief of the Coin
Collection Department.

Dear Sir:

I have a collection of about seventy ancient foreign coins, the most of them were made long before Date was used. Some were piece of metal with some figure stamped, or thereon, impressed upon them. Some clearly, if not exactly, resemble Bible

coins. They were collected by a sea Captain probably seventy-five years since.

Knowing you to be an expert, fully acquainted with all coins, I take the liberty of asking your advice as to the best method of ascertaining their value and of disposing of the most valuable.

Very Respectfully,
(Miss) Luella Marcellus

[Abstract:] Asks value of certain foreign coins.

United States Mint
Chief of the Coin Collection Department

Dear Sir:

I have a collection of about seventy ancient foreign coins, the most of them were made long before dates were used. Some were pieces of metal with some figure stamped, or otherwise, impressed upon them. Some closely, if not exactly, resemble Bible coins. They were collected by a sea captain probably seventy five years since.

Knowing you to be an expert, fully acquainted with all coins, I take the liberty of asking your advice on to the best method of ascertaining their value and of disposing of the most valuable.

Very Respectfully,
(Miss) Luella Marcellus
